**What you will not get with your membership: *Volun-told*.** We love our volunteers, but it is up to you if you want to participate in the planning and implementation of community events, be on the promotions committee or help with our retail promotions. So, rest assured...you can come to our meetings and not be forced into helping with a project.

We meet the 1<sup>st</sup> Wednesday of the month at 8:15 am at City Hall, (Or we have a Zoom meeting when required by executive order) and the last month in the quarter we have a lunch meeting at noon. We truly value the input of our members and hope you can attend and take advantage of networking with your fellow businesses.

Membership dues remain the only source of funding for the Marlette Area Chamber of Commerce, and your board members have been good stewards of your contributions as reflected by a healthy fund balance.

We welcome you to join the Marlette Area Chamber of Commerce and hope to see you at our next meeting on Wednesday, January 12, 2022, at 8:15 am at City Hall or on Zoom.

Sincerely,

Sarah Kady, Chamber Secretary/Treasurer
